HORSEPLAY

2009 June 11-14 Windrock OHV Area, TN

The East Coast Bronco Registry's HorsePlay 2009 is being hosted by the members of the East Coast Bronco Registry (ECBR), a free, on-line organization of over 2,000 members. This summer's trail ride in the Windrock OHV Area, Oliver Springs, just west of Knoxville, TN, is planned for June 11-14, 2009.

The event headquarters for HorsePlay 2009 will be at the new Windrock Park Campground (<http://windrockpark.com/>). They have many full-hookup RV sites and take a look at their cabins -- FANTASTIC! In addition to some great trail riding, the prize giveaways, a ramp contest, and a cookout/catered meal, we will also have a formal "Show and Shine" event and a "Rock Challenge", probably at Windrock's premier obstacle course, "RattleRock"!

While this is only the second HorsePlay event, it is by no means our first entry into hosting offroad events. Based on the success of Free-4-Alls I-VI, under the direction of Morris Rothfeldt and Donald Dickerson, we are confident of hosting another premier event with the new HorsePlay arrangement. Come wheel with some of the best Broncos in the Eastern USA! We're offering four days of scenic beauty in the Cumberland Mountains; you choose your level of experience from mild trail rides to extreme events hosted at RattleRock.

We will have experienced ECBR members who are familiar with the area to lead all the trail runs. We will offer a door prize raffle thanks to the efforts of our Sponsor Chair, Lisa Dickerson. Included in your registration fee will be a t-shirt featuring original HorsePlay art and a catered meal Saturday night. Registration **MUST** be completed and postmarked by May 30th to receive the t-shirt(s) and meal ticket(s)!

Sincerely,

Doc
